Computer Programming Lab, *Spring 2023*
Submission Regulations: Milestone 1

</div>

The objective of this document is to provide you with the steps that should be taken in order to submit your project.

Steps

- The submission link can be found here: `https://forms.gle/AZ2Spnzns6J6Pi649`

- Sign in with your Gmail account in order to be able to submit.

- Only ONE team member is required to submit.

- Please make sure to submit the info required in the form correctly as this might affect the grading of the project.

- Each team can upload several times, the last submission will be taken.

- Please keep your latest version of your project on your pc without modifying it after the deadline.

- Make sure to follow these guidelines when uploading the file:

    - Only zip files will be accepted when submitting.

    - You should rename the file with your team number, for example if you are team 50 your file should have the name "Team50.zip"

    - Failing to follow the above rules will result in ZERO in the milestone.
